 Submit

Be sure to click the **“I’m not a robot”** check-box before submitting the form. If you have multiple titles, you will need to complete the form for each one.

**NOTE:** If you already have a token for this book, you will still need a second token for Questbank specifically.

## RECEIVE YOUR ACCESS TOKEN.

No matter which form your Companion Website requires you to complete, you will receive a unique token that will allow you to log into the site for the first time.

If you will be accessing multiple Companion Websites for different books, you will need to request a token for each site.

To activate your token, click the green **“Request Access or Activate a Token”** button...

And then click on the green **“Activate a Token”** button.

There may be a delay of up to a few business days between the time you request access to your Companion Website and the arrival of your access token.

**NOTE:** Your token is connected to your email address, and we unfortunately cannot issue you a new token for the same Companion Website if you have already been issued one.

## CREATE A USERNAME AND PASSWORD.

Once your token has been activated, you will be prompted to create a username and password.

Be sure to use a password that is easy for you to remember but hard for others to guess, as you will need to use this log-in information to access your Companion Website Account going forward.

**NOTE:** Please do not use your access token as your password to enter your Companion Website.
